1 Welcome *Vincent welcomed everyone and then we prayed using:*

Prayer using Mark 6: 30-34 (see below)

2 Co-option of other members?

Discussion took place about the need to co-opt members from some of the other ethnic communities in the Parish (primarily Indian and Polish). Contact names were mentioned and Vincent will pursue. It was also strongly felt that we need a young(er?) parent with small children; possibly male to balance the PPC. Again a person was mentioned and Vincent will pursue.
